The Central American Bank for Economic Integration (CABEI) invites you to participate in the competition to select its:

**EXECUTIVE VICE PRESIDENT**

The Executive Vice President, under the direction of the Executive President and the Board of Directors, will help conduct the Bank's Administration by monitoring the resolutions and agreements of the Board of Governors and the Board of Directors, as well as the other provisions that regulate the activity of the Bank, in order to comply and enforce the Constitutive Agreement, the regulations, the agreements and the decisions of the Board of Governors and the Board of Directors. The office will be held for five (5) years, being able to be reelected for a single time.

The following are requirements to apply for the position of Executive Vice President, which must be met when submitting your curriculum vitae into the competition process:

- Being a national of one of the Bank's member countries, which must be different from that of the Executive President (Honduras) and that of the Controller (El Salvador).
- Having experience in the Central American region and know the economic, financial, social and political characteristics of this region.
- Being a person of recognized professional capacity and honesty, as well as being in the enjoyment and exercise of their civil rights.
- Being suitable for the profile of the foreseen position. Among other requirements, the person must have an academic master's degree, preferably in a field related to finance or economics and/or experience in these fields; Demonstrable experience of at least 10 years in executive or managerial positions in private banking and/or international development institutions, preferably in more than one country in the Central American region, particularly in high-level positions in the international financial sector and fluency in the English language.
- Not being included in any of the following impediments: 1. Being governor, director or Controller of CABEI or spouse thereof. 2. Being a relative of the governors, the directors, the Executive President or Vice President or the Controller within the fourth degree of consanguinity or second degree of affinity. 3. Having breached contractual obligations with the Bank directly, or through controlled companies. 4. Those who, having held a position at the Bank, had acted with intent or fault, duly verified, to the detriment of the interests of the Institution. 5. Debtors, insolvent or bankrupt, while they have not been reinstated and those who have pending bankruptcy lawsuits, as well as those who are absolutely or relatively disqualified. 6. Having been convicted of crimes involving lack of probity.
- Not having legal limitations to exercise their functions and attend to the Bank's operations in its member countries.

The full profile of this position, which includes a detail of its functions and powers, can be found on the Bank's website [www.bcie.org](http://www.bcie.org), under the Competition for the Selection of the Executive Vice President. CABEI's official language is Spanish.

Interested candidates should send their curriculum vitae to the email address: concursovicepresidente2020@externo.bcie.org. Curricula vitae submitted by other means will not be considered.

The information, as well as the curricular analysis and evaluation of the candidates will be handled by a firm of recognized international prestige.

Only the candidates with the best fit to the profile will be contacted by the firm in charge of the selection process.

**Application Reception Closing Date and Time:** July 6, 2020 at 23:59 pm (time of the Republic of Honduras).
